Oyuna Devam Considering that what you have is nothing that can't come unexpectedly, and mostly, the project game that happens with your eyes closed? Well, this brother, it may be advisable to pass new products from Studio ikrehc, or rather the second part of the game of the series – Trap Adventure 2, since the first projects received a lot of positive feedback and asked to release a next part. Nothing complicated you ever see! Raw violence, awkward location design - this show can be offensive and even offend fans of the modern entertainment industry. But don't rush to conclusions and search for vast, Google Play something nicer to the eye - this project is in quaneable, after all, its main charm, and unforgivable play, the ability of any peaceful person to make that nerve. By setting Trap Adventure 2, follow its miniature wings character, which will go a long way, trying to find a way out of a chain of dangerous mazes and places, eyeballs are dotted with dangerous traps. Ten, twenty, thirty times – dark, as soon as at least the first stage of the proposed tests happens. But if there's a miracle you have to go through the whole game, you should know – you deserve your page in the Guinness Book of Records because you couldn't! !
